In Charles River Editors' American Legends series, readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute, while learning interesting facts long forgotten or never known. Among the most innovative and independent artists to come out of Motown in the latter half of the twentieth century, along with colleagues Marvin Gaye, Isaac Hayes, and Michael Jackson, Stevie Wonder was said by many to possess three distinct obstacles to fulfillment in the music industry. First, he was poor, and worse, he was black and blind. Wonder, however, refused to shrink from or acknowledge any of these realities as barriers, asserting that he had not been in any way...
